3 October 2012
Antalya, Turkey

Present: Maaret Castrén, Jana Šeblová, Nils Peter Oveland, Stephen J.M. Solid, Patrick Plaisance, Vivien Bendit, Abdo Khoury, Jean-Piere Tourtier, Nicolas Segal, Hiew Fu Tshung, Hans Kirkegaard, Low Lieh Yong, Cheah Phee Kheng, Ago Korgvee, Eric Revue, Sundé Klilic, Youri Yourdanov

1. Previous meeting of the Pre-hospital Section in Kos: a questionnaire was placed on EuSEM website 2 months prior to congress in Antalya – very few answers (6).
2. Discussion concerning future activities of Pre-hospital Section – possible directions:
 - a. to implement more themes from pre-hospital care into European curriculum;
 - b. to map education of residents in EM in European countries (what is the scope of knowledge and practice from pre-hospital care, does it include dispatch etc.);
 - c. to map research activities in pre-hospital settings in European countries;
 - d. possible future discussions: mapping systems of pre-hospital care provision, links between organisation and quality of care.
3. During next two months, Dr. Plaisance and Dr. Tourtier will try to find professionals from each EuSEM country involved in pre-hospital care in order to join the section.
4. Based on mapping of emergency physicians' education: to define goals of educational programmes.
5. To ask for budget for section activities – to organise a section meeting.
6. Prof. M. Castrén announces she will be a President of ERC from October, so she will not have enough time to chair the Pre-hospital Section of EuSEM. She suggests to pass the leadership of the section to Dr. Jana Šeblová, who was a co-chair until now. The participants agreed.
