Pediatric Section of EuSEM Annual Meeting Monday, 29 September 2014

MINUTES

1. **Welcome**
2. **Approve Minutes** of previous Pediatric Section of EuSEM Annual Meeting held on September 2013 in Marseille
3. **Matters arising** from the Minutes not included elsewhere on the agenda
4. **To receive reports** from:
 - i. Chairman – Javier Benito
 1. More autonomy and visibility to Pediatric Section in EuSEM:
 - Complete pediatric track in EuSEM meetings
 - Pediatric Section representatives in other EuSEM sections and committees (Santi Mintegi – Research; Niccolò Parri and Luigi Titomanlio – Ultrasound; Itai Shavit – Web; Silvia Bressan – Young doctors; Ian Maconochie – EM Fellowship; Hezi Waisman and Said Idrissi – Education; Professional – Jean Christophe Mercier)
 - Section sub-accounts: Treasure – Patrick Van de Voorde
 2. Information about EuSEM Councils in London and Amsterdam in 2014: four main interesting subjects to the Pediatric Section:
 - Finish collaboration with AAEM for MEMC
 - Information Technologies (IT) Project
 - New rules of procedure mainly addressed to administrative things as membership fees for some countries and “special members”, relationship with National Societies of EM, etc.
 - Subaccounts to sections
 3. Paediatric Section activities in Marseille
 - APEC course
 - A one-day Paediatric track with 5 sessions with big audience. Six highly relevant topics in pediatric emergency medicine were addressed in two sessions. The advantages and barriers for collaboration in international research were discussed in a session organized by REPEM. Finally 25 free papers showing the most outstanding current research in PEM in Europe were presented in two exciting sessions.
 - ii. Director APEC course in Marseille – Hezi Waisman
 - One and a half days
 - 12 students
 - Positive evaluations from the students however they missed more hands on activities and complained of facilities and other logistics, such as lack of food, cafes, etc.
 - Hezi Waisman and Said Idrissi propose introduce changes in the APEC courses (two different levels of courses, basic and advanced; APEC courses out of EuSEM meetings; APEC courses inside board of EM, etc.), that will be discussed for future editions.
5. **Chairman election:** Ian Maconochie was elected as the new Chairman of the Pediatric Section of EuSEM

6. **REPEM business meeting** (REPEM will send its own minutes)

- Three study proposals were approved
- Patrick Van de Voorde new REPEM representative in PERN executive

7. **Next PEM meetings in Europe**

- EAP meeting in Barcelona – Oct 2014 – Jean Christophe Mercier will propose the PEM track for the meeting
- Europediatrics meeting in Florence – May 2015
- EuSEM meeting in Torino – Oct 2015
