

Besançon, May 27, 2019

Dear EUSEM friends and colleagues,

I'm writing to announce to you that I'm running for EUSEM president elect.

Over the past years, I've been involved in EUSEM activities and leadership, chairing the Disaster Medicine (DM) section, council member and served as Vice-president. Currently, I am the Industry Liaison Officer for the board, working to raise funds for EUSEM activities.

After 25 years of existence, EUSEM is progressing fast, yet we still have room for improvement to make EUSEM a top class society in the World.

In order to help achieve this, I'll focus my work on four main pillars:

1. Opening EUSEM to nurses, paramedics and allied health professionals.
2. Improving our visibility and attractiveness by strengthening our congress and other educational offers (DM, Prehospital, paediatrics etc.)
3. Working on making EBEEM the exit exam for the speciality in the European countries. This will ease recognition of the speciality and physician exchange.
4. Strengthening EUSEM and UEMS relationship, as well as other societies in Europe and abroad, to define joint policies, guidelines, and favour research.

I hope you'll join me in this journey. I'm counting on your support and votes. Together we will make EUSEM better & provide better services to improve patient care!

#votefortomorrow

Abdo Khoury MD, MSc DM

Department of Emergency Medicine and Critical Care
Besançon University Hospital, France
