

Wednesday 10 March									
Room	1A	1B	2	3	4	5	6	Outside	
	Day 1: Tactical/PreHospital Care/ Leadership								
	8:30	Plenary Session 1							
		Leadership in Tactical PreHospital Care							
	10:00								
		Coffee Break							
	10:30	Plenary Session 1 contd							
	12:30								
		Lunch break							
	13:45		Workshop 1	Workshop 2	Workshop 3	Workshop 4	Workshop 5	Workshop 6	Workshop7
	15:45		POCUS in Prehospital Care	Trauma Procedures	Best practices in Thoracotomy	Paediatric Procedures in Prehospital Care	Non compressible haemorrhage	CBRN decontamination	RESCUE or HART WALK THROUGH
		Coffee Break							
16:15		Workshop 1	Workshop 2	Workshop 3	Workshop 4	Workshop 5	Workshop 6	Workshop7	
18:15		POCUS in Prehospital Care	Trauma Procedures	Best practices in Thoracotomy	Paediatric Procedures in Prehospital Care	Non compressible haemorrhage	CBRN decontamination	RESCUE or HART WALK THROUGH	

Thursday 11 March								
Room	1A	1B	2	3	4	5	6	Outside
8:30 10:00 10:30 12:30 13:45 15:45 16:15 18:15	Day 2: Trauma Management							
	Plenary Session 2							
	Trauma Management							
	Coffee Break							
	Plenary Session 2 Contd							
	Lunch break							
		Workshop 5	Workshop 6	Workshop 7	Workshop 8	Workshop 9	Workshop 10	Workshop 11
		POCUS nerve blocks	Ventilation strategies in trauma & Time Controlled Adaptive ventilation	Best strategies in ECMO	Junctional wound haemostats	Damage Control Resuscitation / Rotational Thromboelastometry Thromboelastography integrated	How to set up trauma bay	Code Red
	Coffee Break							
		Workshop 12	Workshop 13		Workshop 14	Workshop 15	Workshop 16	Workshop 11
		TOE in Resuscitation	Trauma airways workshop		Wound haemostats	Lessons Learned in Ukraine	Interpreting trauma diagnostic imaging	Code Red

	Friday 12 March							
Room	1A	2	3	4	5	6	Outside	
	Day 3: Mass Casulaty Management and Major Incident							
	8:30	Plenary Session 3						
		Mass Casulaty Management and Major Incident						
	10:00		Coffee Break					
	10:30	Plenary Session 3 Contd						
	12:30		Lunch break					
	13:45	Workshop 17	Workshop 18	Workshop 19	Workshop 20	Workshop 21	Workshop 22	Workshop 23
		Triage exercise	How to manage emergency and prehospital (civilian) based care in armed conflict	Airways, Arterial Pressure, and Timing of Intubation in Combative Patients (AATAC)	Virtual reality triage exercise	Safety security in future – take care of self	Mass casualty workshop table top exercise: paedrs vs adults	How to work in a Red Zone
	15:45		Coffee Break					
16:15	Workshop 17			Workshop 24	Workshop 25	Workshop 26	Workshop 27	
	Triage exercise			How to establish good Communication in crisis situations	The art of decontamination	Mass casualty workshop table top exercise: explosion vs CBRN	How to work in a Red Zone	
18:15
