

## YEMD Congress track lead

### Requirements:

- EUSEM full member
- Active in YEMD for at least a year or write a short motivation why you are a good candidate

Duration of position: 1 year, can be renewed up to two times via yearly elections

### Job description

- Liaise with the scientific committee as YEMD representative
- follow the same objectivity and quality standards of the scientific committee
- within these boundaries aim to provide an opportunity for young EM doctors to be speakers
- decide with the YEMD board after consulting the YEMD members on topics of interest to the young doctors
- Set up a session plan for the YEMD track in consultation with the YEMD board
- Select speakers in tight consultation with the YEMD board and the scientific committee, most likely using an "open call for speakers"
- Invite speakers and communicate before and during the congress to provide both a good experience for the speakers as well as interesting, high quality talks for the congress attendees
- Within these boundaries aim to provide an opportunity for young EM doctors to be speakers

### Compensation:

- ➔ Free congress entrance in the following year if task completed successfully as agreed by the YEMD board
