# CHALLENGES AND GOALS

- Increase the number of section members – now 26, but many of the „silent“! - **EUSEM MEMBERSHIP NECESSARY!**
- **Increase the activity of the section** in research and scientific presentation of pre-hospital problems
- **Paramedics, nurses and dispatchers needed! – associate membership!**
- **Co-operate with other sections and committees within EuSEM through section representatives:**
  - **A. Khoury – Disaster Section**
  - **Patrick Plaisance - Research Section**
  - **Jana Seblova – Ethics Committee**
  - **Diana Cimpoesu – Education Committee**
  - **Martin Fandler - YEMD section (congress scientific committee)**

# CHALLENGES AND GOALS

## Pre-hospital curriculum?

### 3.4.3.DISASTER MEDICINE

- Disaster preparedness
- Major/mass casualty incident planning/procedures/practice
- Disaster response
- Mass gatherings
- Specific medical topics (triage, bioterrorism, blast and crush injuries, chemical agents, radiation injuries)
- Debriefing and mitigation

### 3.4.10.PRE-HOSPITAL CARE

- Emergency Medical Services organisation (administration, structure, staffing, resources)
- Medical transport (including neonates and children, air transport)
- Paramedic training and function
- Safety at the scene
- Collaboration with other emergency services (e.g. police, fire department)
- Disaster preparedness and management inclusive triage

# CHALLENGES AND GOALS

Exchange programmes in pre-hospital care

# ELECTIONS OF SECTION CHAIR

- **JANA ŠEBLOVÁ**
  - Chair of the section since 2012, since 2015 co-chair for two years
- **PARTICK PLAISSANCE**
  - Co-chair since 2015 but for commitment as ECOC chair replacement also necessary

**CANDIDATES?**
